ESSAY QUESTIONS**

We believe that all young people have the capacity to be leaders, to serve others, and to become engaged in our community. The relationships between young people and the caring adults in their lives are the key ingredient to these opportunities and experiences, which help young people lead, grow and serve. Jim Mitchell was a passionate community leader who believed in the importance of education and service for Georgetown's youth.

Please provide an additional page with your responses to these questions.

**1. Please tell us about a time when you made a difference through your service or volunteerism in the community. What was the need you were addressing? Who was there? What was your role? How did serving others make you feel?
(300 word maximum)**

**2. Please tell us about the adults in your life who have been there for you, how have they supported you, encouraged you, challenged you?
(300 word maximum)**

**3. Please tell us about your plans after high school, why you believe you should receive this scholarship, and what this scholarship would mean for your future.
(300 word maximum)**

The Georgetown Project will award three \$1,000 scholarships in 2020. One student from each Georgetown ISD High School (Georgetown High School, East View High School and Richarte High School) will be selected to receive the Jim Mitchell Youth Service Scholarship.
