

**Bridges to Growth Parent Center
Covid-19 Mitigation Practices Through October 31, 2020**

Our top priority is the safety of our employees and the children, youth and families we serve.

Therefore, we will not be offering in-person group classes at the center through October 31, 2020. A full calendar of virtual learning opportunities, and individualized services, are available.

Classes with accompanying curbside craft bag pick-up will continue. Please call when you arrive and we'll bring the items out to you. The early learning workroom and toy lending library is available for use. Please call first and we will meet you at the door.

We will ask you to hand sanitize, have a temperature check and answer a few questions upon entering Bridges to Growth spaces. We will practice safe physical distancing, and face coverings are required when social distancing is not possible. Please stay home if you feel sick and/or if you have a temperature over 100 degrees.

Bridges to Growth staff will stay home from work if feeling sick and/or if they have a temperature over 100 degrees, will wear face coverings while serving you and will sanitize routinely touched surfaces throughout the day. Stay safe and healthy friends!

Please check our website at <https://georgetownproject.org/bridges-to-growth-parent-center/>, Facebook and Twitter for a listing of online parent, provider and children's classes or call **512-864-3008.**
