

**NEST Empowerment Center
Covid-19 Mitigation Practices Through October 31, 2020**

Our top priority is the safety of our employees and the children, youth and families we serve.

Therefore, we will limit services and activities to a combined 20 youth and 5 adults at one time in the center through October 31, 2020. Individual case management services will continue uninterrupted.

We will ask you to sanitize your hands, answer a few questions and have a quick temperature check upon entering NEST Empowerment Center spaces. Please stay home if you feel sick and/or if you have a temperature over 100 degrees. We will also practice safe physical distancing while you are in the NEST Empowerment Center. Face coverings are required when physical distancing is not possible.

NEST Empowerment Center staff will stay home from work if feeling sick or if they have a temperature over 100 degrees, will wear face coverings while serving you and will sanitize routinely touched surfaces throughout the day.

Please check our website at <https://georgetownproject.org/the-nest-empowering-center/>, Facebook and Twitter for additional information, or call the NEST Empowerment Center at **512-943-8056 or **The Georgetown Project** at **512-943-0074**.**

Stay safe and healthy friends!
