

THE GEORGETOWN PROJECT
Leaders In Youth Development Since 1997

Fall 2021 @ The NEST Empowerment Center

Mon-Thursday 4pm-7pm

Join us this semester at The Georgetown Project's NEST Empowerment Center, providing a safe haven after school for Georgetown ISD teens who are homeless, unaccompanied youth, at-risk or in need of resources such as hot meals, Wi-Fi access, food pantry, homework help, connection to

community resources, transportation home, all in a positive environment with caring adults. Additionally, this year in response to the need for community service opportunities, we will be offering community service hours to all GISD high school students (limit of 25) signed up to participate in selected activities from 4:30-6pm: [College/Career Readiness](#), [Leveling Up Skills](#), [Wellness Wednesday](#), & [Leadership/Community Engagement](#). For more information/to sign up for community service activities, contact Bebe Johnson, NEST Coordinator, bebe@georgetownproject.org or 512-943-8056 or 512-819-4200.
