

Our Vision

Georgetown is a community where no child is hungry, hurt, alone or rejected, and where all children and youth believe they are loved, respected, and treated with dignity.

MEAL PROVIDERS 2021-22

The NEST has dishes, glasses, bowls, utensils and all the necessary items to feed our students family style around 2-3 tables. We have the NESTlings set the tables and we sit down to eat about 5:30pm. We ask that meals include an entrée, veggie and dessert. Favorites at The NEST include: Chicken Alfredo, Lasagna, Sliders, Sloppy Joes, Tacos, Meatloaf, Meatball Subs, Casseroles with meat cheese and or pasta. The kids like salads, fresh veggies, roasted veggies, rice, potatoes and love mac and cheese. There are no dietary restrictions for our meal providers as we have a food pantry to accommodate any special need on any given day a student might request.

We ask that meals be delivered at The NEST between 3pm-5pm. If you do not want to be here when students are here, please plan to deliver before 4pm. We have a full kitchen that includes a stove, crock pot, microwave, and refrigerator. We ask that meals are delivered cooked as we like to eat supper about 5:30pm.

As in most homes, at The NEST the evening meal is an opportunity for us to gather around the table to enjoy a nice supper and talk about the happenings of the day. Truly breaking bread with the NESTlings is the foundation of all the things we are able to do at The NEST. For many of our students, sitting and eating family style with a bountiful amount of food is not something they are able to experience anywhere else. Please help us to serve these students.
