Spring 2023 @ The NEST Empowerment Center

Mon-Thursday 4pm-6:30pm

Join us this semester at The Georgetown Project's NEST Empowerment Center, providing a safe haven after school for Georgetown ISD high school teens who are homeless, unaccompanied youth, at-risk or in need of resources such as hot meals, Wi-Fi access, food pantry, homework help,

connection to community resources, transportation home, all in a positive environment with caring adults. Additionally, we will be offering community service hours to all GISD high school students for participating in selected **Therapeutic**, **College/Career Readiness**, **Wellness Wednesday**, and **Leadership/Community Engagement** activities from 4:30-6pm. For more information/to sign up for community service activities, contact Bebe Johnson, NEST Coordinator, bebe@georgetownproject.org or 512-943-8056 or 512-819-4200.
