

Spring 2024 @ The NEST Empowerment Center

Mon-Thursday 3pm-7pm

Join us this semester at The Georgetown Project’s Empowerment Center, providing a safe- haven after school for Georgetown ISD teens who are homeless, unaccompanied youth, at-risk or in need of resources such as hot meals, Wi-Fi access, food pantry, homework help, connection to community resources, transportation home...all in a positive environment with caring adults. We will continue to serve high school students needing community service hours by offering service opportunities to all GISD high school students (limit of 25) signed up to participate in selected activities from 4-6pm: **Therapeutic**, **College/Career Readiness**, **Wellness Wednesday**, & **Leadership/Community Engagement**. For more information/to sign up for community service activities, contact Brigid Cooley, NEST Coordinator, brigid@georgetownproject.org or 512-943-8056 or 512-943-0074.
